CEO's Message

Hi Junior Players,

Congratulations on receiving your AKH Junior Skills Passport. We hope this Passport will help you to improve your hockey skills.

How to use the passport:

- 1 Have a look on our website (www.akhockey.org.nz) under the " Junior Skills Passport" tab for the 6 videos which demonstrate each of the skills in your passport.
- 2 Practice these skills in your own time at home, in the garage, or at the turf, by yourself or with a friend.
- 3 Every time you come to an AKH Coaching session with AKH , ask your AKH coach to assess where they think you are at the end and sign and date your passport.

It's easy, perfect practice makes perfect!

Thank you to Arun & Jared Panchia, Madi and Katie Doar and Simon & Marcus Child for being the first AKH athletes on our Passport.
