Message from the CEO of Auckland Hockey

Welcome to Tamaki Makaurau and the Super City for the National Women's U18 Tournament hosted by Auckland Hockey (Est 1903) at our home stadium at Lloyd Elsmore Park.

For those of you in our city for the first time, welcome, and for those who have visited before, welcome back!

Congratulations on being selected to participate and represent your Association in this important National Tournament, the first on HNZ's performance pathway. I trust you have prepared well and will have an enjoyable week of Hockey, one in which you will improve as a team, and individually, strengthen old friendships and forge new ones.

We have had a busy year to date at Auckland Hockey, replacing our number one pitch with the Paris 2024 Carbon Neutral Olympic Turf, the second of its kind in the world of hockey.

I look forward to seeing the matches as you compete with one another hard and play in the spirit of hockey and good sportsmanship. Remember to thank all of those in your close circle for being able to take part in this experience, your parents, your coaches, your manager and most importantly after every game the opposition and the umpires.

Performance Hockey is not easy but always the teams who pay attention to the small details are those left standing on the Podium on Saturday.

Take Care

Manoj Daji QSM, JP
