# CHAIR & GENERAL MANAGERS REPORT

2023 was a successful year both on and off the turf, with major highlights seeing our NHC Women claim the national title in Hamilton for the first time since 2015. 2023 also saw Auckland Hockey undertake and complete the first stage of key capital projects at Lloyd Elsmore Park Stadium and continue to progress toward the construction of Colin Maiden Park turfs.

Congratulations to Barbara Smith of Somerville who was made an Auckland Hockey Life Member, and to Dr Tony Edwards of Howick Pakuranga who was made a Life Member of Hockey NZ.

Two of our priority pillars from our 2027 strategy are People are at the heart our game and Accessibility to participate. It was positive to see that we are able to provide opportunities for life-long involvement in hockey highlighted by continued growth across our community. Both winter and summer participation numbers continue to increase steadily, a positive sign after the interruption of Covid and impacts on participation in recent years.

Auckland Hockey was proud to host the Vantage National U18 Women's tournament in July, our first major event since Fed Cup in 2019 and first regional tournament since National Masters 2017. Another strategic priority pillar was achieved, delivering Memorable Experiences for 20 teams from across the country, including our Auckland Blue (3rd) and White (18th) teams playing in front of their family, friends and supporters. We also sent two U18 boys teams to Dunedin with Auckland Blue (3rd) and White (17th).

Our representative programme flourished with more teams than ever before, with significant growth in U16 and U14/13 with over 170 young people involved in various teams at Northern Region tournaments and festivals, and another 58 young people involved with our U15 Melbourne and U13 Fiji exchanges.

With the support of major funding partners NZCT, Lottery Community Facility Fund, Foundation North, Pub Charity and Lion Foundation we were able to undertake over \$900k in CAPEX repairs and upgrades with the replacement of the turf and mat as well as an upgrade to LED Floodlights on LEP Turf One. We also completed the first stage of grandstand and building concrete repairs, resurfacing and strengthening work, all in time for the start of the 2023 Winter Season.

Aligning with another of our 2027 strategic plan priority pillar, Sustainability for future generations, our turf and sustainability partner Polytan installed the 2024 Paris Carbon Zero Polygras turf, just the second in the world and only one in southern hemisphere at the time. The turf is a step closer to high-performance dry turf technology, is made from sugar cane, reduces the amount of watering needed and is the world's first carbon zero turf.

Later in the year, with further funding support, we were also able to replace all the water cannons at LEP Stadium with new, more

efficient cannons that will also help reduce our water usage as we continue toward creating a more sustainable facility. We also completed the Turf One scoreboard replacement and important window resealing on LEP Stadium levels two and three.

We were able to celebrate our representative team an individual achievements at Lloyd Elsmore Park Stadium with our 2023 prize giving in November. We were thrilled to present 15 Service Award winners to outstanding members of our community, recognising a raft of achievements and dedication to hockey in Auckland.

We would like to take this opportunity to thank the board for all of their support, including previous Chair Ryan Archibald and Board Members Chris Arthur, Peter Lowndes and Mark Robinson who left their roles in 2023. We would also like to thank our various partners including our Club Presidents and Committees, AHUA, community funders, Hockey New Zealand, College Sport, Active, Sport Auckland and Auckland Council.

As we look forward to 2024 we are excited about the year ahead, with strong numbers already with our Winter competition entries. We are continuing to work toward the construction of Colin Maiden Park and envisage the first phase of the project beginning in 2024, aiming for turfs to be ready for het 2025 Winter Season. Lloyd Elsmore Park is also in line for more capital upgrades with a new turf and other building repairs to undertake across 2024 and summer 20205.

All the best for the year ahead, we look forward to another successful year both on and off the turf.

Vinod Patel and James Sutherland  
Chair and General Manager

# PRESIDENTS REVIEW

A lot can happen in a year. I was looking at my last Review and it was such a positive affirmation of Auckland Hockey and, yet, a week out from the 2024 AGM, we are in disarray:

1. Ryan Archibald resigned as Chair ahead of his planned departure. In the email he delivered, this was part: I've largely enjoyed my time on the Board, however in the last 12-18 months I have not enjoyed what I would describe as negative and controlling behaviour from a section of the Board. Quite simply, this is stress I can do without.

2. Manoj Daji left his post as CEO.

3. A number of Board Members resigned following Ryan's resignation and Manoj's departure, such that Board ended up consisting of:

- a. Carron Jerram;
- b. Simon Taylor;
- c. Abbie Gunning; and
- d. Mandy Barker.

There was an SGM on the Saturday preceding the AGM. The stated business of the request for the SGM was (my distillation) to try to get behind all of the comings and goings, so that the Clubs would be informed when it came to voting at the AGM. I note that it became apparent that the SGM was going to be in an information vacuum both as to the cause of Ryan's early exit and Manoj's exit because of confidentiality issues (the confidentiality belonged to both the Board and Manoj, so I am not suggesting that the Board or Ryan/Manoj were intent on keeping the meeting in the dark).

I cannot stress enough how important next week's AGM is for Auckland Hockey, in respect of voting for Board positions. While information could not be obtained to assist us at the SGM, I expect you all will find ways to be informed by the time of the AGM, so that there is an educated vote.

Before I end this missive, there are a few people to thank:

A. Ryan, who served Auckland Hockey as Chair, having gone onto the Board at the 2019 AGM. I note that he has been appointed New Zealand Olympic Committee Team Services Director, so that's another hockey person in a position of power!. I think two matters (among many) stand out about his time as Chair: 1) strategy refresh for the association; and 2) implementation of a gender equity policy designed to support more women into coaching pathways. Apart from that, he has told me he was proud to be a contributor to a Board that negotiated the covid period well and progressed the Colin Maiden Park project considerably forward.

B. Manoj, who, in my experience, was a loyal hockey-man, who knew everyone important and who was relentless in his drive to make Auckland Hockey (and hockey in general) better and better. As I have said, previously: "Manoj has been CEO of AK Hockey for the last 7 years, which has seen many highlights including navigating the pandemic, winning titles, securing funding of \$9m for capital projects, growing the Royals Academy exponentially and having the world's best coach help our coaches. His commitment and hard work for AK Hockey has been a large part of that success, and the organisation both thanks him for his service, and wishes him well for the future."

C. Vinod Patel (no relation), who came to the rescue by assuming the role of Chair in dark times. We should be grateful for his steadying hand and business acumen.

D. James Sutherland, who stepped up, first while Manoj was on leave and, then, after Manoj's exit. It can't have been easy, being in the middle of all that was going on and with the hockey season about to start, but he has managed to keep the ship afloat, from an administrative standpoint. I should add that the SGM passed a unanimous vote of thanks to James for his efforts.

E. Neil McCorkindale, who also stepped up and gave James considerable support in James' hour of need.

Last of all, this is my last year as President. I have looked back and have seen that I "rose to pre-eminence" in 2012, so it's been 12 years. In that time, I was nobly assisted by my VPs: Pam Elgar and Neil, to whom I offer thanks. I have been murmuring about not continuing for some time, so I want to make it clear that my moving on is not connected to the turmoil; there is going to be a new landscape after the AGM and Pam and I think that this is as good a time as ever for me to surrender the Chains of Office.

Ray Parmenter (Rayesh)  
President

# PLAYER & COACH DEVELOPMENT REPORT

The 2023 year would definitely be one to remember for Auckland Hockey. The year commenced with our U23 teams engaging in a thrilling Tri Series alongside North Harbour and Waikato. This 9-a-side competition showcased fast-paced and entertaining hockey, setting the tone for an exciting year ahead.

Additionally, after a two-year break, the Masters National Tournament made its successful return. Auckland teams made a remarkable impact, securing gold in the Men's 45+, Women's 55+, and Women's 60+ categories. Moreover, our teams demonstrated exceptional performance, earning silver medals in the Women's 45+, Men's 45+, and Men's 60+ divisions.

In July, Auckland Hockey hosted the U18 Women's National Tournament, where our women's team secured the Bronze medal, while the boys achieved the same in Dunedin.

September marked a significant highlight of the year, with the Women's team clinching the K Cup for the first time since 2015 at the Ford National Hockey Championships in Hamilton.

In October, Auckland Hockey hosted the Grant McLeod U16 & U14 Festival at Albany, bringing together more than 240 Auckland players to compete against teams from North Harbour, Counties Waikato, Bay of Plenty, and Northland.

In 2023, we continued our overseas exchanges with our U15's traveling to Melbourne to play Victoria Hockey, while our U13's had the opportunity to visit Fiji.

Additionally, our Hockey Without Limits program achieved notable success, benefiting more than 80 students from 8 schools who had the opportunity to play hockey for the very first time.

Furthermore, the Royals Academy Programme continued its success from the past two years, with a record number of players registered and over 50 coaches benefiting from the Coach the Coach program.

We look forward to putting on more opportunities for our athletes in 2024, including a Tier 2 NHC Team and a U16 Sydney exchange.

Concluding, we want to thank the board, staff, volunteers, supporters, coaches, teachers, and Auckland Hockey for their hard work and support throughout 2023, which provided many opportunities for our hockey community.

Rocio Gonzalez Canda  
Player and Coach Development Manager

# REPRESENTATIVE PROGRAMME

2023 was a significant year for Representative and International Hockey. Internationally, the Men's World Cup was held in Bhubaneswar – Rourkela, India in January where New Zealand finished 7th with Aucklanders Simon Child, Leon Hayward and Kim Kingstone all part of the team.

A very special congratulations to Liz Thompson who played her 200th test match against USA in Wellington! A fantastic achievement which is all the more impressive following Liz's determined return to hockey following a major knee injury in 2022.

We were thrilled to host the Vantage U18 Women's Tournament in July at Lloyd Elsmore Park Stadium. 20 teams and dozens of officials and umpires took part in the tournament with a bronze medal for our Auckland Blue U18 Women's team, which was also matched by the Blue U18 Men's team in Dunedin.

August saw the Sentinel Homes Oceania Cup Olympic Qualifier tournament with plenty of Aucklanders in action with Grace O'Hanlon, Liz Thompson, Sam Child, Julia King, Katie Doar and Rose Tynan selected in the women's team, with Simon Child and Leon Hayward selected on the men's side. The qualifiers were tense battles with notable performances across the series including a 4-2 win in game two for the men. Australia qualified after winning the 3 match series lifting the men's title 2-1 and the women's 3-0. Both New Zealand teams were faced with qualifying tournaments in January in order to qualify for Paris 2024.

The 2023 Ford National Hockey Championship was held in Hamilton in September. Auckland Women won the women's title, defeating North Harbour in the final 2-1. This was the first National Title for our women's side since 2015. The team were fantastically led by Captain Phoebe Steele, Head Coach Simon Child, Assistant Coaches Kim Archibald and Josephina Tamatoa and Manager Frances Krefl.

Our NHC Men were in the bottom half of the competition despite an opening round win vs Waikato and draw against Manawatu (shoot-out loss). A tough loss to Wellington and carryover result from the Manawatu game pitted the men in a relegation battle against Hawkes Bay on the final day of the tournament.

Deana Ritchie and Hannah Cardno represented NZ in the Women's Indoor World Cup in Pretoria, placing 11th. Rebecca Baker, Emma Irwin, Lucy Russ and Arabella Loveridge were selected for the Women's Junior World Cup in Chile, placing 15th.

Our Masters teams also managed to get their National tournament in Tauranga after Covid impacts postponed previous events in 2021 and 2022. Gold Medals to our Women's 55's & 60's and Men's 45s were highlights.

Our revamped Royals Academy for promising young Auckland players aged 13-23 continued to provide an excellent development opportunity for Auckland's young players, which saw 138 players working in the summer. We also had successful exchange trips to Melbourne with our U15 group and Fiji with our U13 group, an important part of our programme and a wonderful experience for our young players and their families to share.

We have a wealth of fantastic volunteers involved in our rep programme. We are very fortunate to have coaches with coaching and playing experience at National, International and Olympic level. 2023 has seen these coaches continue to implement the Auckland Way of playing as reviewed by our NHC Head Coaches, Ryan Archibald, Kevin Towns and Shane McLeod in 2022.

Thank you to all of the volunteers, families, funders and supporters who have helped deliver and support our representative programme across 2023, your help is greatly appreciated. We look forward to a successful 2024, including the 2024 Paris Olympics.

# Entity Information

Auckland Hockey Association  
For the year ended 31 December 2023

‘Who are we?’, ‘Why do we exist?’

## Legal Name of Entity

Auckland Hockey Association Incorporated

## Entity Type and Legal Basis

Incorporated Society

## Entity’s Purpose or Mission

To provide Auckland Hockey stakeholders with a quality hockey experience.

## Registration Number

AK/221429

## Entity Structure

We have a Volunteer Board consisting of five elected members who can appoint up to three additional members to fill governance skill gaps. Elected members have a three year term, appointed members have a one year term. The operational entity is managed by a CEO and a small team of 10 full or part time permanent employees, plus up to a dozen casual staff and a network of volunteers. The operational entity is split into a number of semi autonomous departments (Building; Turfs; Café/Bar; Events; Winter Competition/Summer Competition; NHL; Other Rep Teams; Hockey Department – Development; Hockey Department- Community; and Central.) These departments each have a specific focus and have both internal and external clients i.e. Turfs will charge external hirers such as clubs as well as internal hirers such as the Winter Competition for turf use.

## Main Sources of Entity’s Cash and Resources

The Association’s activities are funded by winter competition fees, playing turf income, bar and café income, community sport and representative income. We are also reliant on grant and sponsorship income. Facilities are developed by the Association but the underlying land is provided by the Council on a minimal lease.

## Main Methods Used by Entity to Raise Funds

Grants are applied for annually from a variety of organisations. The majority of funds are redirected from Operating Income.

## Entity’s Reliance on Volunteers and Donated Goods or Services

The Association relies on gifts of volunteer time to assist with the Representative programme. The members of the Executive Council, Competition Working Group, Hockey Working Group, Facilities Working Group and the Junior Competition Working Group are all unpaid volunteers. Umpires are reimbursed a travel allowance for vehicle services, at a range of venues across the season(s).

## Physical Address

Lloyd Elsmore Hockey Stadium, Lady Marie Drive, Pakuranga, Auckland, New Zealand

# Statement of Service Performance

Auckland Hockey Association  
For the year ended 31 December 2023

‘What did we do?’, ‘When did we do it?’

Auckland Hockey management report on the performance measures as key indicators of our growth, performance and size of our sport, relevant to our core purpose of providing hockey participation opportunities to Aucklanders.

These measurables represent a historic snapshot of our sport and the various areas across which we deliver eg hockey participants, number of rep players, coaching sessions, communication with community etc. Many of these numbers also directly link back to Hockey NZ reporting numbers and are a benchmark measure of Hockey Associations across the country.

## Description of Entity’s Outcomes

To help our clubs grow: player numbers, club management and facilities, members’ development; and to ensure Auckland Hockey’s continuity.

# Statement of Accounting Policies

Auckland Hockey Association  
For the year ended 31 December 2023

'How did we do our account?'

## **Basis of Preparation**

Auckland Hockey Association Incorporated has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

## **Goods and Services Tax (GST)**

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

## **Income Tax**

Auckland Hockey is an incorporated society and an amateur sports body and has been granted exemption from income tax by Inland Revenue under Section CW 46 of the Income Tax Act 2007.

## **Bank Accounts and Cash**

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

## **Changes in Accounting Policies**

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

## **Accounting Principles**

### **Income**

Income is recognised in the statement of financial performance when Auckland Hockey has earned it and there are no ongoing obligations associated with it. For example, registration fees are recognised as income when invoiced and due rather than when the club actually pays. Grants received for a specific purpose which contain use or return conditions are recognized in the accounting period in which all conditions of the grant have been met. Grants and donations without use or return conditions are recognised as revenue upon receipt.

### **Income Received in Advance**

Income received in advance includes funding received but which conditions have not been met in the period.

### **Accounts Receivable**

Accounts receivable are carried at anticipated realisable value. An estimate is made for doubtful receivables based on a review of all outstanding amounts at year end. Bad debts are written off during the year in which they are identified.

# Statement of Accounting Policies

Auckland Hockey Association  
For the year ended 31 December 2023

## **Inventories**

Inventories comprise of small stocks of food and beverages and small quantities of playing socks, bags and tracksuits which are expected to be sold each year. These inventories are normally carried at cost. Where items are indistinguishable, such as socks, it is assumed that the items are sold in the same order as they are purchased, i.e on a first-in, first-out basis. If items are unlikely to be sold for an amount at least equal to their cost, these items are immediately written down to their estimated realisable value.

## **Property, Plant and Equipment**

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Where an asset is acquired through a non-exchange transaction, its cost is measured at its fair value as at the date of acquisition.

Depreciation is charged on a straight line basis over the useful life of the asset, except for land and buildings, Land and buildings are not depreciated. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its useful life:

- Artificial laying Turf & Components 5% - 33.3%
- Bar & Kitchen Equipment 7% - 33.3%
- Building & Ground Improvements 2.5% - 33.3%
- Computer Hardware & Software 20% - 33.3%
- Office Equipment & Furniture 13.5% - 33.3%
- Talent Development Equipment 10.3% - 33.3%

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted if there is a change in the expected pattern of consumption of the future economic benefits or service potential embodied in the asset.

<b>Total</b>	<b>557,092</b>	<b>206,380</b>	<b>-</b>	<b>82,531</b>	<b>680,941</b>

All assets are depreciated to a nil residual value.

**Restriction of title and lease limitations:** The stadium complex located in Lloyd Elsmore Park is constructed on land leased from the Auckland Council. The current lease commenced on 31 July 2022 and expires on 31 July 2032.

The use of the going concern assumption and the useful life of these buildings and ground improvements are based on the assumption that Auckland Hockey will have access to the facilities beyond the lease renewal period.

Capital Works in Progress relates to The Colin Maiden Park Project.

# Statement of Accounting Policies

Auckland Hockey Association  
For the year ended 31 December 2023

## 6. Accumulated Funds

Accumulated surpluses or (deficits)	2023	2022
Retained earnings/Accumulated funds	949,131	993,318
Current year earnings	195,631	( 44,186)
<b>Total Accumulated surpluses or (deficits)</b>	<b>1,144,763</b>	<b>949,131</b>
<b>Total Accumulated Funds</b>	<b>1,144,763</b>	<b>949,131</b>

## 7. Commitments

Commitments to lease or rent assets

	2023	2022
Current	4,723	4,763
Non current	8,360	8,360
<b>Total</b>	<b>13,123</b>	<b>13,123</b>

## 8. Contingent Liabilities

Subsequent to balance date there was an employment dispute that was settled with an agreement reached by all parties dated 19 February 2024. (2022 Nil)

## 9. Related Parties

There were no related party transactions to disclose for the year.

## 10. Events After the Balance Date

There were no other events that have occurred after the balance date that would have a material impact on the Performance Report.

At the date of issuing the financial statements, based on the matters noted above, the Board considers that the entity has sufficient financial resources to enable the entity to continue to operate for the foreseeable future, and as a result the financial statements have been prepared on the "Going Concern basis".

## 11. General Securities

Registered securities are held by several suppliers through the Personal Property Security Register (PPSR) at balance date. These securities are to hold rights, title and interest in relation to goods and services provided.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUCKLAND HOCKEY ASSOCIATION INCORPORATED

### Opinion

We have audited the performance report of Auckland Hockey Association Incorporated (“the Association”), which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 31 December 2023, the statement of financial position as at 31 December 2023, and the statement of accounting policies and other explanatory information.

In our opinion:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b) the accompanying performance report presents fairly, in all material respects:
  - the entity information for the year ended 31 December 2023;
  - the service performance for the year then ended; and
  - the financial position of the Association as at 31 December 2023 and its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board.

### Basis for Opinion

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (“ISAs (NZ)”), and the audit of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised) *Assurance Engagements Other than Audits or Reviews of Historical Financial Information* (“ISAE (NZ) 3000 (Revised)”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Performance Report* section of our report. We are independent of the Association in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Association.

### Responsibilities of the Board for the Performance Report

The Board are responsible for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;

- b) the preparation and fair presentation of the performance report on behalf of the Association which comprises:
- the entity information;
  - the statement of service performance; and
  - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board; and

- c) such internal control as the Board determines is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Board are responsible on behalf of the Association for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's Responsibilities for the Audit of the Performance Report**

Our objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Who we Report to**

This report is made solely to the Association's members, as a body. Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members, as a body, for our audit work, for this report or for the opinions we have formed.

A handwritten signature in black ink that reads "BDO Tauranga". The letters are cursive and fluid, with the "B" and "D" being particularly prominent.
