SAFETY POLICIES

The following policies can be found on www.hockeynz.co.nz.

HARASSMENT POLICY

In providing a safe and secure environment for participation in hockey, providers should ensure to the best of their ability players and officials are not subjected to any form of physical, psychological or sexual abuse as a result of their association with hockey.

ANTI DOPING CODE

HockeyNZ supports the New Zealand Government, Drug Free Sport NZ, the FIH and the IOC in the development of national and international initiatives to deter the misuse of drugs in sport. It recognises the need to take strong and positive action to reduce harm to the individual and to the sport, and to educate and inform those persons and organisations whom this policy applies.

HEAD INJURY POLICY

At all Hockey New Zealand tournaments, Hockey New Zealand insists that a player that has received a head injury with suspected concussion may only commence playing again when a medical certificate clearing the player of concussion has been supplied to the Tournament Director, or Tournament Administrator.

CODE OF CONDUCT POLICY

This policy outlines the standards of discipline and behaviour expected of players, coaches, managers, officials, umpires and player spectators in accordance with the rules of Hockey NZ. The Code of Conduct Policy also outlines the process to hear any allegations of misconduct.

MOUTH GUARD POLICY

It is now mandatory for all players taking part in Hockey NZ Youth Tournaments to wear mouthguards. Hockey NZ strongly recommends the wearing of mouthguards by all players at all tournaments. Managers of all teams are to control the use of mouth guards, not the umpires.

SMOKEFREE POLICY

Hockey is a smoke free sport. We proudly endorse the Smokefree/ Auahi Kore message as part of promoting healthy lifestyles to our members. This tournament is totally smokefree, inside and out.

We appreciate you respecting our philosophy.

HOCKEY NEW ZEALAND PRESIDENT'S MESSAGE

National Secondary School Tournaments

Welcome to the 2025 Hockey New Zealand National Secondary School Hockey Tournaments.

Congratulations on your selection to play for your school in the various national secondary school tournaments. To get some idea of both the popularity of and participation in these tournaments, take a breath as you contemplate the following. There are 336 teams in these competitions, in 20 tournaments hosted by 18 different hockey associations. Assuming 17 players per team, plus three administrators, coaches and managers, that is approximately 6,720 of you off to these tournaments. You are not alone.

Of course you are not alone. When you reflect on the help from families, coaches, administrators, fundraisers, sponsors and schools there have always been people there for you. You have complimented this support through your own dedication and passion that sees you in possession of the necessary skills and fitness to now perform in what is probably for many of you, the first major tournament you have attended.

These tournaments are always a mixture of excitement, intensity and physicality. Your resolve and attitude will be tested in all aspects of the game as you strive for excellence playing against your peers. For your team to do well you must 'like' your teammates and play in a way that they too, like you. Respect your opponents and enjoy the challenge they provide.

Importantly, these tournaments also offer you the opportunity to forge friendships with your teammates and your opponents. Treasure those opportunities. For those of you in your last year of secondary school this will be your last secondary school tournament as a player. Make it a great one.

Recognise also, the privilege and responsibility that is part of your selection. As an ambassador for your school, represent it with pride. Whether you win or not, playing your best is all that can be asked of you.

Play hard, play fair, respect the umpires, your coaches, administrators and family who have made your participation in and this tournament possible. Above all, enjoy the tournament experience.

Dr. Dennis Slade
